Message of
**MANAGING
DIRECTOR**

It is my pleasure to introduce our company to you. Askari Fashion has started its' journey in Apparel Industry at 2020, but I have been serving this sector since 2005. From the Humble beginning of time we have come a long way. it was a fascinating journey for us, to witness the phenomenal growth of Bangladesh, how it's now a key player in the garments industry. We take pride in being a small part of this revolution.

At Apparel Industry we strive to maintain our integrity and most importantly our word. Our goal has always been to provide quality products and ship on time. Season after season we are grateful to our clients for keeping their trust in us which we believe was earned simply because of our workmanship and transparency. On behalf of everyone at Apparel Industry we cordially invite you to visit our office.

Thank you for being with us.

Md. Zakirul Islam Anu

How It Is Made?

Everything under one roof

Fabric/Fabric Check: When the fabric is received, it is laid down for 24h and checked conscientiously for any faulty.

Pattern: The pattern is created in the sampling phase to calculate the fabric consumption and costing sheet.

Cutting: The fabric is cut then bundled by style, size, and color.

Printing: We use cutting edge screen printing techniques with steadfast, reliable and consistent ink (if required).

Embroidery: We control hand-made or machine-made embroideries on details (if required).

Assembling: Processed semi-products are gathered back to the factory for assembling phase.

Finishing: The finished products are trimmed, checked, and packed for shipment.
